**EDS Credit Union to Present
-Third Annual "Christmas in the Square"-
At Frisco Square**

Frisco, TEXAS (November 3, 2008) – EDS Credit Union and Frisco Square, a master-planned lifestyle community in the heart of Frisco, announced today that EDS Credit Union will be the "Presenting" sponsor of the third annual Christmas in the Square at Frisco Square. Christmas in the Square is the biggest choreographed holiday lights and music show in Texas and drew more than 325,000 visitors during November and December, 2007.

“EDS Credit Union is proud to present such a worthy community event. We are committed to giving back to the residents and families of Frisco, and there is no better time of the year to fulfill that commitment,” said Kent Lugrand, President and CEO of EDS Credit Union.

“After working with the wonderful people from EDS Credit Union this past summer to present our annual ‘Movies on the Square’ outdoor family movies series, we are delighted to expand our partnership with them and present Christmas in the Square 2008. We’re adding more buildings, more lights, more spectacular effects along with three weekends of family-friendly activities.” said Jim Leslie, managing partner of Frisco Square.

Be sure to see Santa’s amazing parachute entrance onto the lawn in front of the George Purefoy Municipal Center at 5:00PM on November 28. Santa will be available to visit with the kids, and have his picture taken, right after he lands! The hugely popular snow slide is also available that night (only) along with carriage rides, a model trains display, snow machines and an added attraction, the Adventure Rail Road! Drive through any evening after 5:30 until 10:00PM from November 28 through New Year’s Eve and enjoy the spectacular effects produced by Jeff Trykoski and his Illumimax company. The carriage rides are \$6 per person but everything else is free, thanks to the generous support of our sponsors.

Due to the great success of the Gift Shop last year, we’ve expanded to 6,000 square feet in a heated and lighted tent with twenty-eight (28) vendors each night, December 12 and 13 and December 19 and 20. Santa’s Gift Shop will be run by Frisco

Family Services and a portion of the proceeds will be donated to them. Santa's Gift Shop will be located at the corner of Coleman Blvd and Frisco Square Blvd.
